

## ERRATUM

### ASSISTANT MANAGER ELECTRICAL AND MECHANICAL SERVICES

#### DIRECTORATE: TECHNICAL AND INFRASTRUCTURAL SERVICES

Please take note that the vacancy for Assistant Manager Electrical and Mechanical Services (Notice Number 12/2020/2021), which appeared in The City Press publication dated 07 February 2021, was advertised with incorrect main duties. The correct main duties are as follows:

**Main Duties:** • Controlling Eskom Accounts in order to determine the Electrical Network losses • Enforcing the standard Electricity Regulations (By-laws) Of the Council and Code for Wiring of Premises by virtue of inspections, building plans and applications where new electrical connections are effecting the network • Control the utilization and maintenance of the entire Electrical & Mechanical Networks • Control the execution of Electrical projects in the Municipality • Exercising management and control over the Electrical & Mechanical Workshop by direct and indirect supervision of the relevant functions • Control all cost estimates for the extension of Electrical network and new connections • Make recommendations on the purchasing of Electrical and Mechanical material and equipment used by the Department • Authorize Electrical switching alterations to the Electrical network.

**New closing date: 26 February 2021**

We apologies for any inconvenience caused.

**S M MOLALA**  
MUNICIPAL MANAGER
